NICE TO MEET YOU!

Hi I'm Sharon. I'm a fun, friendly wedding photographer, I am based in Hertfordshire but travel all over the country.

Those magic moments on a wedding day just give me happy goosebumps! Little glances, a squeeze of a hand, big smiles and crazy antics! I just love

being a part of your wedding. I get just as excited as you about your plans when you share them with me.

Weddings are magically charged days. I seek out the little details and record real events and emotions, even capturing things that you might have missed.

It's your day, I never forget that. I take time to really get to know you so that on the day, I'll know exactly what's important to you and you can trust me to get the shots you will love.

All you have to do is enjoy the day!!!

☞ You helped us to enjoy our day; we genuinely loved the moments we were together with you. The guests also commented on how friendly and warm you were throughout the day. Everyone felt comfortable and enjoyed your company. ☞

ENGAGEMENT SHOOT

Engagement shoots (or couple shoots) if you prefer are so much fun. Between us we will work out where we will meet. You can choose a place that is meaningful to you both, or I can suggest somewhere. I know exactly how to put you at ease and promise you will love the photos and then get all excited to do it all again on your big day.

Soon after our shoot I'll send you approximately 60-100 beautiful high resolution photos via a downloadable gallery.

Most couples tell me they were daunted by the idea, then afterwards say it was the best thing they did!!

"At the pre-wedding shoot, you made us feel at ease, laugh and think about what we were looking forward to as well as what was important to us about the wedding. It was one of the most enjoyable parts of our wedding preparation. As a result, we felt more relaxed about having the photos on our wedding day than we ever imagined."

YOUR PHOTOS

Your photos are a bit of a collaboration. If you can find 20 minutes or so in your wedding timeline, you'll have some stunning and artistic portraits of you both on your big day. Trust me, relax and you will look back and remember how you felt.

None of the couples in this brochure are models, most would say they feel awkward but together we have made these special moments. They trusted me and enjoyed that part of the day. Are you up for that too?

TO BOOK

If you'd like to go ahead and book, I take a £500 booking fee and issue a contract. The final balance is due the 1st of the month preceding your wedding.

I send you a questionnaire which helps you consider things in the day to help it all flow nicely. When you send that back I go through it and get in touch nearer your wedding to check if anything has changed or been added. I get the photos I do by understanding the most about your day and the two of you!

NICE THINGS PEOPLE SAY

- ☞ Sharon was so personable, approachable and nerve calming throughout our wedding day. She is clearly hugely creative and has a phenomenal knack of putting you and your guests at ease. ☞
- ☞ Our guests only had great things to say as well which was great to hear. She was subtle and unobtrusive and made everyone totally relaxed around her, which of course then made for great natural looking photos! ☞
- ☞ Not only was she responsible for capturing our day, she was a huge reason it was so good. She made us feel really special. ☞
- ☞ Tears of joy and laughter were shared looking at all the images that Sharon worked so hard on! ☞
- ☞ Sharon bloody Cooper: our Photographer Extraordinaire! Not just another service for our wedding. But now our FRIEND. ☞
- ☞ Sharon is BRIGHT, BUBBLY, ENERGETIC, ENTHUSIASTIC & CHEEKY! But most of all, she really simply is, THE BEST! (I HOPE YOU'RE SINGING IT!) There aren't enough words to describe how grateful we are to have met you and for you to have the hardest job of capturing our personalities through a lens - but you bloody did! ☞
